

Women in Mining (WIM) Canada would like to recognize the mentors and coaches who have supported, encouraged, guided, and advised women along their journey, either in school or in their careers in Mining. Breaking into a new field is a daunting task at best, and the mining world presents numerous complexities. Our mentors have been here at different times and through different stages to coach us all the way and cross the finish line with success.

Eligibility

Any female student can nominate up to two mentors for this Award. The mentor can be a man or woman, in any discipline and of any relation to the nominator (e.g. parents, siblings, employer etc.).

Nomination Guidelines

Please fill out the nomination form below.

We also strongly encourage you to apply to the Women in Mining Canada Student Trailblazer Award.

The closing date for receipt of nominations **January 15th, 2017**.

Please send nominations via email to info@wimcanada.org (**Subject: 2017 Rick Hutson Memorial Award**). Visit wimcanada.org to view Louise Grondin, 2016 Trailblazer Award Recipient and learn more about the WIM Canada Student Trailblazer Award.
